

Summer Fun Days Information

Summer time is drawing near which means it's time to think about our Summer Fun Days!! These days will begin in late May and will be staffed by our great team of teachers who can't wait to have a little extra fun with your children! Each week, summer fun days take place on Tuesday, Wednesday, and Thursday.

This year we will offer three sessions and themes for Summer Fun Days!

Session 1: May 29-31 "Superheroes"
Session 2: June 5, 6, 7 "Let's Get Messy: Art, Water & Slime"
Session 3: June 12,13,14 "Olympic Village: Games, Water Play & USA!"
June 18th: FFUMC VBS (all are invited to register *Please see the church website for how to register for VBS*)

Each session stands alone, meaning that parents can register for each week individually based upon their own family schedule. The hours for the program are from 9:00 a.m. until 1:00 p.m. You will need to provide your child with lunch each day.

All sessions of Summer Fun Days are for FUN—the children will get dirty and will probably get wet! For these reasons, a change of clothing (or 2!) will need to be in the backpack each day. Children should come in their swim suit and with sunscreen already applied each day. Please send a towel with your child, also. We will have a water table out for water play during the day outside!

A little change from the school year, we will not offer the drop off car line during summer. You will need to walk your child in and out each day.

Registration forms are attached to this letter. Parents may choose to enroll their child for one session, two sessions, or all three sessions. **Please specify which session or sessions by checking beside each session listed on the application.** Class groupings will be by age group as determined by the enrollment and all classes will be taught by our regular teaching staff.

Placement in classes will be determined by the children's ages. **Children ages 2 through graduated 3rd grade are invited to attend!**

Please return all applications directly to Jennifer as they will be numbered upon receipt. Registrations will be accepted beginning April 16th, 2018.

Cost:

For our currently enrolled families, or families who have registered and paid a school year supply fee for 2018-19, **each** weekly session has tuition due of **\$90**. All fees are due with your application. You may sign up for as many sessions as you would like.

If families are just attending our summer fun days, but are not enrolled in the regular school year, the cost is \$90 plus a supply fee of \$10, making a total of \$100 per week. Please invite friends and neighbors to attend this summer, we love to meet new people and have them enjoy our summer fun days, too!

If you have any questions, please call Jennifer at the Preschool Office (794-5386) before May 17th, 2018. Beyond that date, I can be reached by email: jthorington@franklinfumc.org, as I will not be consistently in the office when school is closed. We look forward to seeing you during Summer Fun Days!
