

2021-22 Open Registration Information Opens Monday, February 8th

Below you will find detailed information on registration for the 2021-22 school year. Please feel free to ask any and all questions you may have about the registration process!

Open Enrollment to the public begins at 10:00 a.m. sharp on Monday, February 8th, 2021. Registrations will be collected right outside the preschool under the covered walkway via drive up line. **In order to be considered completely registered and eligible for a spot, you must turn in your application for enrollment and the \$150 Registration/Activity Fee at the time of registration.** All applications will be numbered and time stamped as they are received. All applications are processed in the order in which they are received. You are welcome to make your payment in one of two ways. You can attach a check to your application when you turn it in to us. You're welcome to also pay online as soon as we have you in our system. If you note on your application you'd like to pay fees online, we will reach out to you with how to do that. You will have 24 hours to make that online payment after we send you directions.

If you wish to submit your application electronically, you must email it to jthorington@franklinfumc.org no earlier than 10am on Monday, February 8th. Applications will be time stamped by the time recorded on the email in my inbox and filed in the order received with the applications received in person. **In order for your application to be complete, we must receive your payment within 24 hours of your application.** You can pay by mailing your check to us, or you can pay online. Please note that you wish to pay by credit card online and we will send you the directions once we receive and process your application.

Applications will be continuously accepted until all classes are full. At that time, applicants will be put on a waiting list for any availability that might open.

Just as a reminder, all children enrolled in the Preschool program as Three Year Olds, Four Year Olds or Pre-Kindergarten **must be potty-trained to enter our program.** We recommend that parents begin this training prior to the summer months to insure that their child meets this requirement when school starts in August.

Please mark your first preference of programs on the attached page and return it with the registration application form. You may also write your preferences directly on the application form. We will give careful consideration to each request. However, we may not be able to place every child in the requested classroom if the demand is greater than the number of spaces. The programs that we have available are:

Monday and Wednesday Parents Day Out (children who are 18 months of age through Three Years of Age by the same date) - Class makeup is determined by groupings by age. The youngest two's class will have eight children to two teachers (\$215.00 per installment) and the oldest two's classes will have ten children to two teachers. (\$205.00 per installment) These classes fall under the Parents Day Out provision of TCA 71-3-503b.
