

We are so glad you're considering our Preschool/PDO for the fall 2024! Below you will find information about when registration will take place and classes we will offer. Please call us today to schedule a tour and get more detailed information about the registration process!

We will begin to accept open registration from the general public on Monday, February 5th. All registrations will be done online. The link online will be live at 10am on Monday, February 5th. A registration fee of \$150 will be due within 24 hours of confirmation that you have secured enrollment in our Preschool or PDO program.

Online applications will be processed and approved as they come in. We will build our rosters in the order that applications are received, therefore closing classes when they are full. Please know that if you only have one choice, it can never be guaranteed!

Just as a reminder, all children enrolled in the Preschool program as Three Year Olds, Four Year Olds or Pre-Kindergarten must be potty-trained to be in these classes. We recommend that parents begin this training prior to the summer months to ensure that their child meets this requirement.
