

2025 Summer Fun Days Information

Summer time is drawing near which means it's time to think about our Summer Fun Days!! These days will be in early June and will be staffed by our great team of teachers who can't wait to have a little extra fun with your children! Each week, summer fun days take place on Tuesday, Wednesday, and Thursday.

This year we will offer 2 sessions and themes for Summer Fun Days!

Session 1: June 3-5 "Princesses and Superheroes"

Session 2: June 10-12 "Sand & Sun Fun"

Each session stands alone, meaning that parents can register for each week individually based upon their own family schedule. The hours for the program are from 9:00 a.m. until 1:00 p.m. You will need to provide your child with lunch each day. We will have special snacks each day!

All sessions of Summer Fun Days are for FUN—the children will get dirty and will probably get wet! For these reasons, a change of clothing (or 2!) will need to be in the backpack each day. Children should come in their swim suit and with sunscreen already applied. Please send a towel with your child, also. We will have a water table and sprinklers out for water play during their outside time!

Registration forms are attached to this letter. Parents may choose to enroll their child for one session or both sessions. **Please specify which session or sessions on your form at the top of the page.** Each class will be taught by some of our Preschool teachers. Placement in classes will be determined by the children's ages. **Children ages 18 months through rising Kindergarteners are welcome to attend!**

Please return all applications in person or by email (jthorington@franklinfumc.org). Registrations will be accepted through May 17th or until full.

Cost:

The cost of summer fun days is \$200 per child, per week. There is a sibling discount of \$10 for each additional child you enroll in summer fun days.

Summer Fun Days are open to the public, students do not have to be enrolled in our program during the school year. Please invite friends or neighbors if you would like! Extra applications can be printed online.

If you have any questions, Jennifer/Suzanne can be reached by email or phone anytime! We look forward to seeing you during Summer Fun Days!
